

# GREENTECH GLOBAL, LLC

*Mission-Critical Power and Protection Systems for the World's Toughest Missions*

SDVOSB | CAGE: 11XN7 | UEI: T5MDB8GEQJL1

Factory-direct pricing | TAA-compliant sourcing | Global delivery

## SOURCE

Difficult-to-source systems

## CONFIGURE

Spec alignment + compliance

## DELIVER

Project-coordinated logistics

## WHO WE ARE

### KEY SEGMENTS

- Federal agencies (DoD, DLA, State Department, VA)
- MEPs, engineering consultants, and project managers
- Mission-critical facilities: data centers, hospitals, high-tech manufacturing

### TARGET CUSTOMERS

- Federal agencies (DoD, DLA, State Department, VA)
- DLA and other agencies responsible for support systems beyond end-of-life (EOL)
- MEPs, engineering consultants, and project managers
- Mission-critical facilities: data centers, hospitals, and high-tech manufacturing

### PRIMARY SUPPLY OFFERINGS

SUPPLY CLASS	DETAILS	NAICS	FSC
Power Distribution	Dry-type transformers, switchgear, switchboards, distribution panels, busway systems	335311	5950
		335313	6110
			6150
Power Continuity	UPS systems, industrial battery storage, energy storage systems	335999	6130
		335911	6140
Filtration & Air Quality	Industrial filtration systems, HEPA filters, air handling and treatment units	333413	4130
		333999	4330

### PAST PERFORMANCE

- U.S. Embassy & Consulates: secure-facility infrastructure and environmental systems.
- Foxconn Advanced Manufacturing Project (TX): electrical, cleanroom, and industrial filtration.
- JPMC Asia HQ (Manila): building automation and air quality filtration for 24/7 ops
- Siemens China (98 sites): indoor air quality monitoring and filtration systems.

### DIFFERENTIATION

- 15+ years of commercial experience
- 9000+ completed projects
- Factory-direct pricing advantage
- Specialize in fast deliveries of long-leadtime customized systems (typically 20-30% faster)
- Global and TAA-compliant supply chain
- Integrated design and logistics support across MEP, GC, and mechanical contractors
- UL-listed and standards-compliant equipment
